

**State of Alabama Board of Licensure for  
Professional Engineers and Land Surveyors**

**Disciplinary Actions**

**December 8, 2005**

Mr. **Patrick C. Blankenship** PE 24346 was found guilty at a formal hearing of receiving a felony criminal conviction in the State of Arkansas in December 2004 for impersonating a federal officer in an attempt to avoid being cited for hunting violations. At the conclusion of the hearing the Board issued an Order revoking Mr. Blankenship's license to practice engineering in the State of Alabama. The Order further stayed the revocation of his license until March 9, 2006.

Mr. **Jimmy W. Brasfield** PLS 13404 was found guilty at a formal hearing for practicing land surveying in the State of Alabama during the time his license to practice land surveying was lapsed and failing to respond to the Board's requests for information and documentation. At the conclusion of the hearing the Board issued an Order that revoked Mr. Brasfield's license to practice land surveying in the State of Alabama. The Order further required Mr. Brasfield to cease and desist offering, performing, or otherwise holding himself out as qualified to perform land surveying in the State of Alabama until such time as his license to practice land surveying is re-issued by the Board.

**December 9, 2005**

Mr. **Terry S. Tacon** PLS 13653 was found guilty at a formal hearing for placing his professional license number and signature to applications for a permit to install an onsite sewage disposal system without providing direct supervision or being in responsible charge of the land surveying services provided by Mr. Thomas Smithey, a non-licensed individual. At the conclusion of the hearing the Board issued an Order that required Mr. Tacon to pay \$2,857.41 for costs associated with the investigation and hearing on this matter and to pay a fine of \$5,620.00 to the Board within thirty days of date of the Order. The Order further required Mr. Tacon's license to practice land surveying in the State of Alabama to be suspended for two years commencing the date of the Order, with that suspension stayed, and Mr. Tacon to serve two years probation commencing the date the stayed suspension of his license to practice land surveying in the State of Alabama ends.

Mr. **Jackie P. Stewart** PLS 10371 was found guilty at a formal hearing for practicing land surveying in the State of Alabama during the time his firm's "Jackie P. Stewart Surveying Inc." certificate of authorization for land surveying was lapsed and failing to respond to the Board's requests for information and documentation. At the conclusion of the hearing the Board issued an Order that required Mr. Stewart to pay \$535.66 for costs associated with the investigation and hearing on this matter and to pay a fine of \$1,500.00 to the Board within thirty days of date of this Order. The Order further required Mr. Stewart's license to practice land surveying in the State of Alabama to be suspended for six months commencing the date of the Order, with that suspension stayed, and Mr. Stewart to serve six months probation commencing the date the stayed suspension of his license to practice land surveying in the State of Alabama ends.

Mr. **Glenn N. Gaylor** PLS 20890 was found guilty at a formal hearing for practicing land surveying in the State of Alabama during the time his firm's "Fuller Land Surveying LLC" certificate of authorization for land surveying was lapsed and failing to respond to the Board's requests for information and documentation. At the conclusion of the hearing the Board issued an Order that required Mr. Gaylor to pay \$542.60 for costs associated with the investigation and hearing on this matter and to pay a fine of \$3,000.00 to the Board within thirty days of date of this Order. The Order further required Mr. Gaylor's license to practice land surveying in the State of Alabama to be suspended for six months commencing the date of the Order, with that suspension stayed, and Mr. Gaylor to serve six months probation commencing the date the stayed suspension of his license to practice land surveying in the State of Alabama ends.
